

DANCE VENTURE: UNIFORM (2023)

At Dance Venture we try to accommodate parent's budgets by allowing students to wear out their current dance clothes before purchasing our standard uniform, so do not worry too much if you don't comply immediately with the lists below.

Friends of Dance Venture also run a 'second-hand cupboard' through which items may be sold or purchased with a small contribution on each purchase (\$2) to 'Friends'. You will find the cupboard particularly well stocked after we return from the summer holidays as many students will have outgrown last year's clothing.

PLEASE NOTE: It is important that students wear proper footwear, available only from dance suppliers.

In term 2 we have a week of concerts at the studio. As we try to present each class in their ballet uniform it would be helpful if you could arrange to have the correct outfit for your child by the end of term 2.

RECOMMENDED SUPPLIERS:

Dance Alley: www.dancealley.com.au

Unit 2, 110 Bannister Rd, Canning Vale, WA 6155, tel: (08) 9356 9554

Studio Scene: www.studioscene.com.au

352 Marmion St, Melville, WA 6156, tel: (08) 9330 1894

They will both stock these items as the 'Dance Venture' uniform, enabling you to go into the shop, tell the assistant what grade your child is in, and receive the correct outfit.

N.B. Note from teachers: For Twinkle Toes and Ballet Club skirts – they can be pull-on style and circular (not necessarily crossover style). The pull-on skirt is more expensive than the button one though, only by a few dollars, but it is nicer and easier to use.
